Brief about Belialle Sanderthar, Thirupparanthuram.
Partnership firm property.

4/12/20

The firm Belialle Sanderthar was started by my father Mr. T. Kandaselam (late) along with my mother Mrs. K. Sangerthar (late), my wife Mrs. Sander Sanderthar and my brother's wife Mrs. T. Kandaselam along with 4 other outside partners, Co-partners of their Family HUF. The business was mainly waste cotton yarn manufacturing.

To start with a vacant land was purchased in Thirupparanthuram, measuring nearly 52 cents in the name of my father (late) Mr. T. Kandaselam and outside partners T. K. Kandaselam and building was constructed and machines were erected and commenced production. In the year 1993, the outside partners quit the partnership, after executing a Release of Disclaimers in favour of the existing partners. After that the business was run for a few months and in 1993, the business was closed. The Income tax Department was informed about the stoppage of the business. The working partners were paid for the value of the assets and for the debts they had in their accounts.
